To

The Collector & Political Agent,

Dharwar.

Sir,

With reference to your No. 4089 dated 13th June 1908, I have the honour to inform you that the debt in the ward's account stands at Rs. 5997-8-0 as previously intimated. The difference of Rs. 2-8-0 due to the discount being paid while cashing the Hundi of Rs. 8,000/- sent by the Savanur State, The net amount of Rs. 7997-8-0 was credited in the accounts of this estate in 1905.

Repayment of Rs. 1,000/. in each of the years 1906 & 1907 was made. The balance outstanding is therefore Rs. 5997-8-0.

It is therefore a question as to who should bear the expenditure on account of the "Hundi" . If the drawer is to bear it ,-- then the amount credited in the account of the estate here, is correct. If it is decided that the payee should bear it, the accounts here will have to be corrected , so far as relates to the difference of Rs. 2-8-0.

above request was orally
conveyed by Mr C. A. at his
last visit & Mr Curtis asked him
to take notes necessary for considering
the matter.

3. None of the posts
(except those of Inland Asst
to the State for British
service) is pensionable, and
considering the general rise
in prices which threatens
to be permanent the re-

grant of the application with favourable consideration. The Karkuns in this State are called upon to do all the duties which fall to their grade here in Talikota and they perform them intelligently

4. The Concession if granted will involve an additional annual cost to the State of 4 × 3 × 12 = Rs 144 and undersigned is respectfully of opinion that the expenditure will not be misplaced.

5. The only question is whether it would be fair to saddle the State with this cost annually as the State will thereby be handed over to the Nabob on his majority. The applicants are however ready to take the risk if till then they be allowed to benefit by an additional Rs 3 per month. It is not probable that the Nabob will disturb an arrangement which is calculated to bring contentment & efficiency to his revenue establishment at such small cost.

No 206 Pol. Dept.

Camp Belgal 23/5/09.

Forwarded with compliments to the P.H. Secy. State.

The petition suggests the wider question of a real abstract of the principle on which the State budget is framed. At present the amount spent by the State P.W.D. is very large. Thus there is (or soon will be) a tendi in every village of the State. There is good water supply in every village there are schools in villages which did without them for want for them in Br territory. These results are excellent, but when one compares them with the state of affairs in Br territory, one begins to wonder whether the P.W.D. is not getting an undue proportion of the revenue of the State. I went into the budget works here & pointed out to Diwan that some of them - such as pulling down the Hots back garden wall & putting it up again - were quite unnecessary. Other works which I did not object to seemed to be useful but not in the direct interest. It is possible that money might be spent profitably on costly & extensive irrigation schemes but

don't think the State is getting sufficient value out of a good deal of the P.W.D. expenditure at present.

On the other hand, the pay of establishment is on a much smaller scale in the State than in the Br. territory. The other day, the chief school master left, the very question all correspondence relating to the schools of the State passed was petty only Rs 25. The educational authorities have submitted extensive proposals & the pay of the masters will gradually brought to a proper scale. I hope increase of pay might also be given in the other depts of the State. A even more beneficial change than increase of pay might be the institution of pensions. In my opinion plenty of money for increasing the pay of the various depts can be found by diminishing the P.W.D. budget. In making these proposals, I did not forget the probable increase in the expenses of the Raj in a few years' time.

As to the present case, the Kotkuns seem to me to deserve better pay. It is true that they have not the same qualifications as Kotkuns in Br. service, so I do not see that Rs 15/- should be made a minimum pay, but I do think that after 5 years service it is time to raise the pay from Rs 12 to Rs 15 more especially as it is not a pensionable service. If this meets with the Ps approval, provn for increased pay will be made in next year's budget.

The remarks about the dearness of food do not matter, for compensation allowance is the proper remedy for high rates & not increase in pay.

Copy of Political Agent's no 6231
dated 12-8-09 to the address of the
S. D. Commissioner Gostt

I have the honour to submit a
Correspondence (to be kindly returned when
done with) ending with Assist: Pol: Agent's
No 459 of 4-8-09 stack for sanction
to the following proposals :-

2 Mr Turner's list has to be studied
with the Diwan's of July 1909. The latter
gives the history of the Services
present men. It is true that not
Navale will attain his maximum

in a little over two years;

but that seems to be no reason

why the establishment should

not be reorganised at once.

I agree with Mr Turner about

pensions; and it will of course

be open to the Navals to introduce

changes hereafter: our action cannot

bind the Navals in any way

3. For '1st clerk' in Mr Turner's

list I substitute '2nd Karkun', and

20 or. I would put No 8 on the

Varni list last and no 11 2nd last

For these two I think Rs 12 rising

to Rs 15- by annual increments

/

will suffice). For the rest I accept

Mr Turner's proposals. It will

be seen that No 10 (the measurer)

is now 59 years old. He will

see on Rs 15- rising to 18 and

must be styled measurer.

L Subject to what has been said

above I agree generally with

the remarks made by Mr Turner

in the middle of his 3rd and

the latter half of his 4th para

The question of appointing a circle inspector on Rs 26- to 35- for Record of Rights works will probably arise soon.

5- Any changes sanctioned will be ~~to~~ brought into force from September 1st next if possible.

Commissioner's reply to the above.

To.

The Pol: Agent Dharwar

Sir.

I have the honour to submit to you the Correspondence ending with the Savanur Diwan's — no 503 of 26-7-09 regarding the ~~scale~~ scale and pay of the State clerical establishment.

(2) I am inclined to agree with Mr. Leatham (vide his no 206 dated 3-4-09 in the Correspondence

that the time has come to consider the question of a revision of the Estt. The present scale of pay appears to me to be far too low in consideration of the rise in the cost of living of late years, and the fact that in all Departments of the public service the necessity of raising the scale of pay at any rate in the lower grade has already been

recognised by Govt. It is
true that the present staff
have not got the qualifications
which are demanded of candidates
for service under the British
Govt, but in the interest of the
state it is desirable to attract
a better class of men in the
future; while at the same
time, we have to remember
that service in the Savanur
state is non pensionable. I am

am

I am not in favour of the introduction of a pension system. Pensions are apt to become a very heavy burden on a state with limited resources, and owing to the uncertainty of human life it is not possible to calculate exactly how great the burden is going to be during any given course of years.

Further I think that in a native state it is advisable that pensions if given at all should be given as a matter of grace &

& not of right. The staff must look to the Chief, when he comes to the gadi as their protector and it must be left to his discretion to grant any old & tired state servant a pension on retirement, if the servants services merit such treatment: On the other hand, if an improved scale of pay and & promotion be given now to the staff; they are likely to work with more zeal and contentment, & it will

will be to the advantage of the Navale himself, when he comes into his own, to find a sound system of pay and of promotion in existence. Further if a regular scale be laid down once & for all, it will be possible to calculate from the beginning the exact burden which will be laid upon the revenues of the state for establishment charges.

3 In view of the very limited extent of the establishment, & the consequent slowness of promotion for the Clerks the system which I propose to introduce would be one similar to that in vogue in almost all municipalities in British territory. I propose that there should be one post of a head clerk and that the junior clerks should be

be designated first, second &
so on according to their grade
and that a minimum and
maximum pay for each grade
should be provided. If this be
done, the pay will be personal
& the work in the office can
be distributed according to the
capabilities of the men & general
convenience. It should be
laid down from the start that
the increment will only be given to

to the actual ~~incumbent~~ incumbent

provided his work during the preceding

year has been found satisfactory. I

also propose that the pay of the lowest

grade should be raised from Rs. 12 to Rs 15

at once as has already been done

in all departments under the British

Govt. The same reasons for the

increase which applied in British

territory apply with equal force

in Savunur State & I do not

think that it will be possible

to withhold the Concession
any longer. Otherwise we
shall not be able to obtain
men for the posts.

(4) The results of my proposals
are shown in the accompanying
statement. The present total
cost of the establishment and
proposed total cost work out
as under-

Present Cost		Proposed monthly Cost		Proposed annual Cost	
Monthly	Annual	Minimum	Maximum	Minimum	Maximum
Rs 205	Rs 2460	211	Rs 255	Rs 2532	3060

Thus assuming that at any given time all the clerks were drawing the proposed maximum rate of pay the total additional burden on the state Revenues would be Rs 600 per annum only - I do not think that this can be regarded as a very serious increase in the cost of administration in proportion to the benefits which both the clerks are likely to derive from the increased scale of pay, & which, we may hope, will accrue to the state itself by a steady improvement

in the qualifications & work of
the staff. It should be understood
that promotion up to the rank
of first clerk should ~~ordinarily~~ ordinarily
be given by seniority, but it
should be laid down from the
first that if any clerk's work
is not satisfactory or if he is
not so well qualified as his juniors
he will be kept in his existing
grade when a vacancy above
him occurs & one of his juniors
will be promoted to the higher
grade over his head.—

It should also be understood that
if a man is already drawing the
maximum pay of his post when
he is promoted he will continue
to draw the same rate in his
new post & ~~as~~ will only be entitled
to increment up to the maximum
of his post i.e. if the fourth clerk
be drawing £22 when he is promoted
to third clerk he will start in his
new post on £22 & will be entitled
to one annual increment of £1
up to the maximum of £23 & so on
Also all existing incumbents should

a start on their present rate of

pay if the proposed minimum

is less than the actual present rate

(5) I have not yet had an

opportunity of acquainting myself

with all the details of the state

administration, but from what

I have seen of it I am disposed

to agree strongly with Mr Leathem

that there has been & still is a

tendency to extravagance in the

P. W. department. It will in my

humble opinion be far better

to incur ~~over~~ additional annual

expenditure by introducing a really satisfactory scale of pay & promotion for the staff, than to spend money on unnecessary bricks & mortar which involve a constantly increasing burden in the way of current repairs.

The system which I have proposed is the best that I can devise but I have no doubt that it has drawbacks & imperfections in it & will need a certain amount of revising & consideration. But I trust that you will be prepared

to accept the main idea that
in order to make service in the
state more popular, & to secure
contentment among the staff
it is essential to introduce some
scheme for improving the rate
of pay & promotion among ~~for~~
the clerks even if my scheme
be not accepted.

To,

Sir,

The Undersigned is informed that a sum of Rs 525 was handed over to Chandani Begam at the time of her marriage for the purchase of a dhanni and pair of bullocks for her use. Undersigned is further informed that the purchase of the dhanni and bullocks has not been made, because no stabling has been provided in the Compound of the bungalow built for the Begam, and there is no place where the dhanni and

and

and bullocks can be kept. The Divan is requested to report whether this is the case, and if so why no stabling was provided; and whether it can be provided now, and if so at what cost?

(2) It appears also that — running through the compound of the bungalow there is an open drain which carries off all the drainage from the houses in the Sirkar Mahal and which is most insanitary especially as it

it flows by the wall of the kitchen. The Diwan is requested to look to the matter at once, and see if the drain cannot be diverted so as not to flow through the compound at all.

The matter was delayed pending the settlement of the sites for the Sadikhana. The husband of the Begum proposed a change of site for the Sadikhana. The question was discussed with the Begum personally. She is agreeable to the site proposed & approved by the A.C.A for all the works.

3) An Est has been made for a portable latrine, so that it may be removed to any convenient place, if the present site is required for any other purpose. A latrine with walls & roof may as well be provided within the same amt. Orders are solicited as to what latrine shd be provided.

4) It will be seen from the enclosed Yadi of the husband of the Begum, that the Begum is not agreeable to allow access to the Bhangi (thro the gate of her bungalow) for service in Mr. Majidkhan's compound. The only alternative is to ask Mr. Majidkhan to have a pit privy at the opposite corner of the compound of his house vide his Yadi enclosed.

Another latrine to be constructed in the north eastern corner of the compound as per A.S.A. orders, may be either portable or pakka. 3) Amajikhan's letter is enclosed. He is willing to remove his pit privy opened (in place of the existing privy) in the S.E. corner of the compound provided he is allowed to build to the west of his compound this also is stated matter.

The matter was delayed pending
the settlement of the rites in the
Gadi Khana. The husband of the
Begum proposed a change of site

for the Sadr Khana. the question
was discussed with the Begum personally.
She is agreeable to the site proposed
& approved by the H.P. Agent in all the works
3) An estimate Rs [illegible] has been made
for a portable latrine, so that
it may be removed to any convenient
place, if the present site is required
for any other purpose. A Cantonment
latrine with walls & roof may
as well be provided within the same
amount. Orders are solicited as to
whether latrine shall be provided
4) It will be seen from the enclosed
Farmān
Jawāb of the husband of the Begum,
that the Begum is not agreeable
to allow access to the Bibi Kaya (through
the gate of the Bungalow) to the Sadr
as the Sadr Khana is confined: the
only alternative is to ask the Sadr Khana

to have a tank built at the opposite
corner of the compound of his house-
and his pucca enclosed.

(5) As the financial year is drawing
to a close Government will be asked
to allow these works in the Revised Estimates.
On receipt of the estimates approved,
the works will be started so that they
may be completed before the rains

(4). As the Begum Sahib is not willing to allow the changes asked for by H. Abdul Majid the compound - the only thing to be done is to ask H. Abdul Majid to give the present pathway & erect another in the opposite corner of the compound as in the sanctioned Estimate. Should he refuse H. Abdul Majid is willing to make this arrangement -

No. 158 of 1909.

Forwarded with compliments to the A.P.Agent for favour of orders.

2) The applicant is an old servant of the State & is Maratha by caste. He is far more senior to Vazirallie both in service & grade.

He has served the State in various capacities, as peon to the Diwan & Nawabsaheb, as apprentice in the Sawami Dispensary, as hussaibdar to the present Nawab at Rajkot, as Naisby P.W.D. & lastly as Karkun in the Diwan's office. His services

began in 1879 & he was made Karkun in the Diwani's office in 1907.

Mr Vazirali was a candidate in the Diwani's office & was appointed to a permanent Karkun's post on 26-6-09.

Both have passed the examination

3) In this connection reference is requested to the list of Karkuns submitted with this office No 503 dt 26-7-09 & to correspondence dealing with the A.P. A.'s No 596 dt 15-9-09.

The applicant was apparently compared with only No 11 in the list. The case of the Treasurer, No 16, has been separately considered. The question of rank for purposes of promotion has, therefore, to be considered as between Nos 7, 8, 9 & 11 who are all Karkuns on Rs 12.

According to seniority & grade they stand in the following order.

(a)

No 11 Rajeram Subbarao 3
No 8 Venkoji Dimbalker 1
No 7 Sheshoramamant 2

respectively.

4) The names of the Treasurer (No 10) & the Stamp Naikum (No 11) were given last in this office list, because they represented different sections of the Diwan's Establishment.

From,

Divan of Savanur

To,

The Collector and Political Agent,

Dharwar.

Sir,

I regret to have to report that My Head Karkun and 3rd Class Magistrate Mr. Shesho Rango Ritti died suddenly on the 15th Instant.

(2) I have made temporary arrangements for the discharge of the duties of the Head Karkun by appointing the 2nd Karkun to act as Head Karkun and by giving grade promotions to the other Karkuns in my office

(3) I have enclosed a statement showing

(1) The scale of pay lately sanctioned [redacted] respondence ending with the Commissioner S. D.'s letter No 230 of 25th August 1909 and

(2) the qualifications and service of the Divan's establishment.

(4) I have made my recommendations for filling up the vacancy caused by the death of the Head Karkun in the Remarks Column of the statement.

(5) I would recommend Shreenivas Ramchandra Sawakar to be appointed as the last Karkun in the Divan's Office on probation. He has passed the Matriculation Examination of the BOmbay University and has kept two terms at the Fergusson College Poona and has studied up to the previous Examination. He seems to be an intel gent man and has been tried as an acting teacher in t Savanur Anglo Vernacular School and is likely to prov useful in the Divan's office. He may be appointed the conditions:-

(1) that he passes his Sub-Service Departmental Examination and

(2) learns the work of a typist in six months' time.

A typewriter has lately been supplied to this office and it is necessary that one or two Karkuns in the office should be typists.

(6) There were only two Karkuns who were Matrics in the Divan's Office. One of these viz the 2nd Karkun has been recommended for the Head Karkun's post. It is absolutely necessary in the interests of efficiency that an additional competent English knowing man should be appointed as English correspondence has lately assumed large proportions.

(7) I beg to enclose for ready reference copies of the correspondence on the subject of the scale and pay of the Divan's establishment. It will be seen that the scale of pay has been revised with a view to -

(1) attract a better class of men as the present staff has not got the requisite qualifications and

(2) to improve the prospects of men already in state service by giving them promotions, as the Establishment is very limited, as the chances of promotion are few and far between and especially as no pension is given as a rule.

(8) Mr. Laxman Balaji Ghatikar when appointed Head Karkun for reasons given in the accompanying statement may be invested with 3rd Class Magisterial powers and appointed Nazar of the Civil Court by a separate memo under the signature of the Political Agent.

Mr. Ghatikar has headed the District list of men who passed the Sub-Service Departmental Examination. He has done Magisterial work for a long time and has a fair knowledge of Criminal laws and procedure and may safely be intrusted with 3rd Class Magisterial powers.

(9) In consequence of the promotions granted, there will be a change in the Dufters of the Karkuns. The work of the office will be distributed according to the capabilities of the men and office convenience.

(10) Early orders are solicited as there will be no Magistrate in the Head Quarters when I am on tour.

I have the honour to be,

Sir,

Your most obedient servant,

Divan of Savanur

Memorandum.

The Dewan's proposals are accepted except in the case of the man recommended as last clerk. The Dewan does not state the place of which he is a native or what his antecedents and connections are. There is only one Lingayat, 1 Mohomedan in the whole establishment and a man from one or other of these communities should be appointed if available. There is a Lingayat candidate in the shape of Bayappa Tammappa Savanur- who appears (vide his application sent herewith)--- to have applied to Mr. Turner. The Assistant Political Agent is requested to see if there is anything about him on record. He has passed both Matriculation and School Final and has worked in the Shiggaon Mamlatdar's office. If there is no suitable Mohomedan, and if he produces satisfactory certificates of character he might be given the chance.

2) There are altogether 6 applicants for the last post. They are.

(1) Rayappa Tammappa Savanur
(2) S.R. Sawaker
(3) G.S. Kyambhir.
(4) Akbarkhan bd Hasanbhan
(5) Mahabubkhan bd Fayajkhan.
(6) Hammadkhan bd Vanjikhan

3) Nos 1 & 2 have passed educational tests. No 1 is a Lingayat & is a native of Savanur. There seems nothing against him, so far as his character is concerned.

No 2 is a native of Chillaw Badri Talube Bandaynr ; He is already in the service of the State, being a teacher. For reasons given in this office No 216 of 16 & 1912, his qualifications are superior to those of No 1. He is therefore, likely to be more useful to the office than No 1.

No 3 has passed the educational test but is a candidate working in the office He is also a typist

No 4, 5 & 6 have passed the educational tests

No 4 is the son of a Constable. A scholarship was granted to him when he was studying in the Dharmaraja High school, as his father was poor

He made no proper use of his opportunities. His scholarship was withdrawn as his progress was unsatisfactory & he failed to pass any examination.

He is blind of one eye & is not fit for office work.

Nos 5 & 6 cannot even properly sign their names, as will be seen from their applications enclosed. They are absolutely useless for office work.

4) There is only one Karkun in the office who is a matric, apart from the Head Karkun. English correspondence has largely increased in recent years. An additional English knowing competent ~~hand~~ man is indispensably necessary

to get on with the work & to improve the efficiency of the office. In this connection reference is requested to this office No 210 of 16-4-1912.

5) If No 2 cannot be appointed No 1 may be appointed on the 2 conditions proposed in this office letter quoted above.

Memo:

With regard to the information called for in the Undersigned's No39 of1913 it is with great regret that the Undersigned notices the delay in the Sub Inspector's office in furnishing the required information. In the first case when the papers were sent to the Sub Inspectoe through the Diwan, the Sub Inspector has taken seven days to supply the information specially when the papers were marked " for immediate compliance. In the second case when the papers were again returned to the Sub Inspector for correction he has taken four days to make the correction. The Undersigned hopes that this letter will be a sufficient warning for future.

The Head Clerk Mr Ghatikar omits signing an important paper like this & thus loses a day. This is anything but creditable to a man who is acting Diwan.

Through the laziness of the above Officers the information could not be supplied to the Political Agent immediately as required by him.

Below Diwan's No 378 of 1913.

No 306 of 1913. 18/6/13.

In the first place it is to be noted that there has been great delay in submitting the bill. Secondly the Undersigned does not understand what necessity there was of the Karkun MR Rayappastaying a second day at Shiggaon. He reached there at eleven in the morning & surely even if the Shiggaon Treasury Officer delayed paying the amount he could have got the amount ~~&~~ by three in the afternoon & returned to Savanur the same evening by six [redacted] o'clk, but evidently after a long journey of 9 miles the clerk chose to rest for the rest of the day & start next morning. Though the amount of his travelling allowance is not large but still it shows how careless the Staff is. If it was ~~MR~~ private money, the officers would be much more carefulto see how their money was utilised. The Undesigned has remarked in the Administration report of this year that he would like to see the officers take a little more interest in State affairs & it is their duty to see that only just the amount t hat is necessary should be spent. The Undersigned ha snoticed on more than one occasion that small amounts of State money are not much cared for. This order may be circulated to all Officers of Heads of Departments & should be considered as a warning to be careful. If in future such mistakes are found & the Heads of Deparments are not able to give proper explanation even in the case of small amounts the ~~MR~~ Undersigned may have to report them to Governament. for disobedience of this order.

The bill is signed & returned this time.

Sir,

I have the honour to report that in consequence of Mr. Shamrao Karkun Divan's office having been transfered as Huzur Chitnis promotions may be given to the karkuns in my office as below from the date of the relief of Mr. Shamrao

(1) Mr. Bhaskarao Sawakar who is doing Civil work (pay Rs.22) being the next in grade to Mr.Shamrao be promoted to the grade of Rs.25/-1-30 .

(2) Mr. S.H.Huddar who is working in the important daftars to go a head of Mr. Venkoji as the latter is in-capable of doing work in important daftars as he is old & a man of the old school.

(3) Similarly the other karkuns to go one grade up & get their promotions in due course.

(2) Mr. Nariyappacharya who is on leave is, it seems, not likely to return to his duty. In case he does not turn up the appointment of an english knowing hand (better qualified than Mr. Jadwa who is now acting) is, in my opinion, ----- necessary for the efficiency of my office. Mr. Koujalgi who has lately been enlisted as a candidate is, I think, an efficient hand & may be-appointed on Rs.12 P.M.

(3) The retransfer of the services of Mr. Neelappa, ------ Municipal karkun , to his former post of teacher Kanarese school is under orders. The question of appointing a --- suitable hand in his stead is before the Committee.

I propose to recommend Mr. Ladwa who is now acting karkun in my office, for the post.

(4) Needful will be done after orders are received.

As no other leave except leave without pay was due to him, six days leave without pay was granted to him. Nawab of Savanur State.

Sir,

I beg to enclose resignation of H. H. Raichur - a clerk working in the Sub Judge's Office on Rs 17+3=20 for favour of orders. The said clerk went on 3 days' casual leave on the 17th January 1920 & sent in his resignation without returning his duty. He is reported now to have been serving as a Section writer in the Sub Judge Court at Dharwar. His place is therefore vacant since then.

For this vacant post, 3 applicants have put in their applications which are also enclosed for favour of your kind perusal. None of the applicants has passed any Educational test, all of them being residents of Savanur. F. R. Risaldar is a Mahomedan being a relation of Khanjadas. G. P. Pujari is a Brahamin. Both of them are aged 23 & have studied in the Savan

High School. The former has finished VI. Std & was in the VII Std. & the latter had appeared twice for School final Examination but failed. The applicant Dundappa is said to have learnt English so far as III Std. He is Sheppard by Caste being the son of a prostitute. He was an acting clerk for some time in the Shorav Revenue Deptt but his services have been dispensed with as he was not found so competent as to pass the preliminary test before the entrance into the Revenue department. He is said to have acted as ~~an acting~~ a clerk some years back in this Office for a month.

A clerk with sufficient knowledge in English & average intelligence is necessary to be appointed a place of Raichur who was one of the English knowing & qualified clerks ~~Since yesterday a clerk in charge of English Duftar in my Office has resigned~~, a clerk ~~Knows English sufficient for the purpose of English Duftar to be posted~~. Under the circumstances my humble ~~duty~~ proposal is as below:—

Out of 9 clerks in my Office including that attached to Sub Divisl Office, there are already 1 Lingayit, 1 Mahmodan 1 Maratha 1 Barki & the rest 5 (of which Raichur has now resigned) are brahamins. If a Mahamadan clerk the vacancy of Mr Raichur

to be filled in by a mahmodan the applicant Risaldar may be selected. He belongs to the family which Mahabubkhan son in law of the Munshi - late persian teacher belongs. As regards his progress & conduct I enclose herewith Mr Devdhar's opinion below Mr Shamrao's note dated. for favour of your Honor's kind perusal.

I further am respectfully of opinion that Services of the applicant Dundapa would not be of any use in my Office. He seems to be below average & fit to serve in the Police Department. More literate & competent man than he, is required to fill in the Vacancy. Besides I am not convinced of his character.

If the Risaldar fails to get the appointment the choice will fall on G.P. Pujar. Having appeared twice for the S.F Examination he knows English better than the other two applicants. He acted for some time as a teacher at the State High School.

— I further humbly beg to report that in May next we are likely to get Qualified Candidates as the result of the School final Examination will be out by that time.

I beg to solicit orders as to

the appointment of one of these applicants on probation for 3 months, after the end of which a report will be submitted about their work & conduct.

Respected Sir,

I, the undersigned, most humb
and respectfully beg to state the following
few lines for your honour's kind consideratio

I have been given to understand that
there is a vacancy in the Subjudge Court
Savanur. I, therefore, beg to offer myself
as a candidate for the same.

As for my qualifications, I appeared
last year for the School Final Examinatio
but unfortunately failed. However, I have
a fair knowledge of English and Kanarese
I am Brahmin by caste and I am 23 yea
old. I was acting as an assistant teacher
this State High School, and was relieved a
such a short time. I have a strong desire
to serve in this State.

I am sorry to state that I lost my
father in my infancy, and there being
male member in my family for the presen
to support me, I am obliged to discontinue
my studies and seek for an employment.

To add to my pecuniary difficulties, I have a family of 4 members to maintain.

Under these circumstances, I humbly request your honour to kindly consider my poor application and confer upon me a post, for which act of kindness I shall as in duty bound ever pray.

Hoping to receive a favourable reply from your honour.

I beg to remain,

Respected Sir,

I the undersigned most humbly & respectfully beg to lay before your honour the following few lines for favourable consideration.

Hearing that there is a vacency of a Karkun's post in your honour's office, I wish to offer my services as a candidate for the same.

I had first served in Savanur state both in the capacity of a Kanarese school-master & a clerk in the Divan's office to the complete satisfaction of my superior officers. I had to leave my services simply because I had fair chances of getting better services in the British territory. I also served in British Talukas as a Karkun & Circle Inspector.

My services were dispensed with as I did not un-fortunately pass in the Sub-service Departmental examination. My chances were lapsed owing to my ill-ness for a long time from tooth cancer &c.

My present age is nearly 31 years I am young & energetic. I know English to a moderate extent. I am acquainted with the work of my branch of a Taluka office. Under these circumstances I humbly beg your honour to kindly appoint me for the vacant post, & also I am willing to serve to work in any department where your honour pleases.

For which act of kindness I shall as in duty bound ever pray for your honour's long life & prosperity.

Dear Mr Shamrao,

You may refer to the applications presented by some Candidates for the vacant post of a clerk in the Religious Dept & please send them home with your remarks or each of them & telling me whom you like for the post. If necessary we may hold a Competitive Exn of the applicants to test their knowledge of English &c.

It is acknowledged by all the Nepalis that the Brahmins are the highest caste as they are also in India. It is they, who are esteemed by all castes. And they shall be given the powers of tutorship and family priest-hood of Kings. He, who is a family priest of a king, is called Dharmadhikar. It is in his power that he should look to the arrangements of every caste and creed. It is the custom in Nepal that the Brahmin can marry any girl of another caste whom he chooses best. But, children, that are thus born, are counted as Kshatriyas. No other person of another caste should marry a Brahman girl. Kshatriyas also may marry the girls of Newar, Gurung and Lama castes. Children, thus born from such different castes are also called Kshatriyas.

In Nepal only the Brahmins are superior & higher standard like India. They are only called famous in all caste. And they also have the possession of the Tulsi of King and family priest. The Tulsi of King is called as Bishop. All the works concerning every exist and trade are governed by the Bishop. (The Brahmins living there do not marry a woman born by none Brahman of other cast. Thus they do not count the children born in other cast to Brahmins but they count

in Chhatriyas. There is also proper objection for the man who is Vone Brahmin to have marriage in true Brahman's family. There is also rule in Chhatriyas to have marriage in the rest family of Newar, Gurung, Gulam and etc. So the children born in mixture cast are count in Chhatriyas

Sir,

I beg respectfully to enclose a statement of Nagdi karkun of my office, in connection with warbond purchased by the State in 1917 negligently left unnoticed until 25th inst. though it had to be cashed by the 15th September 1920.

2. The karkun Wajiralli states, that he knew nothing about the bonds purchased by the State in 1917 and that it was the Head karkun who was dealing directly with the matters connected with the said bonds. But as is evident, that the Nagdi karkuns who work under the direct supervision of the Head karkun are concerned with all matters regarding monitory transactions in the office and it was their duty to be in touch with the accounts regarding war bonds as they prepare monthly statements of all receipts and expenditures. I, therefore, respectfully beg to request that both the Nagdi karkuns Viz. Messers Waziralli and Neelappa may be reduced in their salary by one ruppe each for a period of 3 months for their negligence in account matters.

Similarly the Head karkun is also responsible for such irregularity. As a Head karkun and treasury accountant, it is his primary duty to look after account matters. As he is a responsible officer, he may be warned this time to be careful in account matters.

I also beg to report that a ~~xxkg~~ register of war bonds purchased will be kept now to enable this office to the ~~xxxxxx~~ details regarding them.
